

**TRANSPORTATION RESEARCH BOARD
STANDING COMMITTEE ON LANDSCAPE AND
ENVIRONMENTAL DESIGN (AFB40)**

**CALL FOR POSTERS
99th TRB ANNUAL MEETING**

**January 12-16, 2020
Washington, D.C.**

The Transportation Research Board (TRB) Standing Committee on Landscape and Environmental Design (AFB40) invites submissions of your work as part of a landscape and environmental design poster session at TRB's Annual Meeting in Washington, DC in January 2020.

Please submit your abstract for consideration for presentation at the TRB Annual Meeting, Landscape and Environmental Design (AFB40) poster session. Topics that emphasize the following, as they relate to transportation and environmental design are a priority for AFB40:

- Energy and Sustainability – design, policies and practices to protect the planet.
- Policy needs related to the built environment that should be developed prior to full adoption of autonomous vehicle technology.

- Resilience and Security – preparing for floods, fires, storms and sea level rise.
- Transformational technologies that will change how transportation environments should be retrofitted or rebuilt.
- Design to serve growing and shifting populations.

AFB40 also welcomes completed and on-going projects from broad landscape and environmental design areas such as Green Streets, roadsides for pollinators, Complete Streets, transportation design impacts on Main Streets, landscape design to safeguard the public, and art in transportation, as they relate to the scope of this committee.

APPLICATION DEADLINE: SEPTEMBER 16, 2019

Poster Session Details

Poster sessions run for approximately 3 hours in the morning (9:30 a.m. to noon), afternoon (2:30 p.m. to 5:30 p.m.) or evening (7:30 p.m. to 9:30 p.m.) depending on how scheduled by TRB
