CELA Student Awards *(existing and proposed)*

Research Award

CELA Student Research Award recognizes student academic research work that exemplify excellence in landscape architecture. The award aims at celebrating the development of innovative research that demonstrate a positive impact and notable contribution to the field.

Creative Scholarship Award

CELA Student Creative Scholarship Award recognizes student design investigation that exemplify creativity and excellence in landscape architecture. The award aims at celebrating the development of design based scholarly work in landscape architecture that demonstrate innovation and notable contribution to the field.

Sustainability Award *(NEW)*

CELA new Sustainability Award recognizes student research, design projects, or creative scholarship dedicated to topics focusing on social, environmental, and economic sustainability that exemplify excellence in landscape architecture. The award aims at celebrating the development of innovative research, resilient designs, and performance metrics that demonstrate a positive impact and notable contribution to the field.

THE SUSTAINABILITY AWARD submission must include:

Title. The submission must include a relatively short and specific title that describes the nature of the sustainability project. The title and the identification number must be the only information on the first page of the submission narrative.

Purpose. The submission starts with an abstract statement that is no longer than 300 words.

Background. The submission includes a background section that focuses on the project context, importance, and significance. This section also includes discussion of the relevant literature and state of the knowledge in the field.

Methods/Design Process. The submission includes a description of the methods/design process employed in creating the work.

Conclusions. The submission includes a conclusion about the findings and relevancy of the design proposal.

**The total submission narrative should not exceed 2,500 words
Images must be briefly captioned (40 words or less).**
